KCI Technologies Signs 120,000-SF Lease for Sparks 'Green Building'

KCI Technologies preleased 120,000 square feet of office space at 936 Ridgebrook Drive in Sparks

Located in the new business development of The Highlands Corporate Center, 936 Ridgebrook Drive will be a built-to-suit, LEED certified, silver-rated building. Cignal Development Corp. will be the developer and construction manager for the project.

The building will consist of five stories with 100,000 square feet allocated to office use and 20,000 square feet of storage.
